

Roadrunner Curling Club Membership

To join Road Runner Curling leagues (not including Instructional Leagues), players must pay an annual membership fee, which covers insurance and use of club curling equipment. In addition to league play, membership offers intraclub curling and social activities throughout the year. Our goal is to provide members with opportunities to develop their curling skills and socialize with our club members, and we plan to join USA Curling as a member organization in Summer 2021.

Roadrunner Curling Club members will also be required to join the USA Curling (more information on this as the USA Curling makes it available).

To become a member of Roadrunner Curling Club, simply sign up for any league other than Instructional League. Your membership fee will automatically be added to the league fee for your first league of the curling season.

The Roadrunner Curling year runs from July through June. Members who join between January 1 and July 1 will be charged for a partial year. **You do not need to be a member to participate in Learn to Curl or to join the Instructional League.**

| | | | |
|--------------------------------|------|-----------------------------------|------|
| Adult | \$60 | Partial year adult (after Jan. 1) | \$30 |
| Junior (under 21) | \$30 | | |
| Social Member (non-curling)*** | \$20 | | |

Member Benefit Breakdown:
